

COOKIE POLICY

Introduction

This Cookie Policy is intended to describe what cookies are, how we use cookies and your choices regarding cookies. Please read this Cookie Policy in conjunction with our Privacy Policy and Terms of Use, which sets out additional details on how we use personal information and your various rights.

What are cookies

Cookies are small packets of data that a website stores on your computer's or mobile device's hard drive so that your computer will "remember" information about your visit. Web beacons are small graphic files linked to our servers that allow us to track your use of our website and related functionalities. Cookies and web beacons allow Veniam to serve you better and more efficiently, and to personalize your experience on our websites.

How we use cookies

When you use and access our website, we may place a number of cookie files in your web browser. We may use both session cookies (which expire once you close your web browser) and persistent cookies (which stay on your computer until you delete them) to help us collect Other Information and to enhance your experience using the Website and/or the Services. If you do not want us to place a cookie on your hard drive, you may be able to turn that feature off on your computer or mobile Device. Please consult your Internet browser's documentation for information on how to do this and how to delete persistent cookies.

Veniam may use cookies and/or web beacons to help us determine and identify repeat visitors, the type of content and sites to which a user of our Site links, the length of time each user spends at any particular area of our Site, and the specific functionalities that users choose to use. To the extent that cookies data constitutes personally identifiable information, we process such data on the basis of your consent.

What are your choices regarding cookies

If you'd like to delete cookies or instruct your web browser to delete or refuse cookies, please visit the help pages of your web browser. Please note, however, that if you delete cookies or refuse to accept them, you might not be able to use some of the features we offer. You may not be able to log in, store your preferences, and some of our pages might not display properly.
